## **Skating Uniform**

Many of you were new to the club last year and did not have the opportunity to buy a GCSSC skating suit. We are pleased to announce that we are planning to place a club order early this fall. To help, there will be samples for your skaters to try and figure out the right size. We do not know the price of the uniform yet as it depends on the size of the order we make.

## **Skate Sharpening Clinics**

After registration and skate fitting on August 26 and 27th, you are also invited to learn about skate sharpening. Our Club's Vice-President and Coach, Philippe Bergeron, will be offering beginner and intermediate skate sharpening clinics. We will be using club blades that have been recently rockered, so everyone can get practice and help out!

**Time:** at approximately 19:00 or 20:15 on both registration nights

**What to bring:** jig, stones and burr stone, if you have them. ZT Sports also carries these, if you wish to buy some.
